

The 'New World Order'

This world has been divided into major geographical regions and nerve centers. The Illuminists know that all of the governments around the world are destined to collapse soon. They know this because these are planned economic collapses. With the total collapse of the global economy a world wide police take-over will be enforced thereby creating a Totalitarian Police State. Giving the Elite their 'NWO'.

The New World Order

Is this scheme to establish a New World Order in fact a reality? Yes it is. Study the United Nations documents and also the treaties which, once ratified by individual nations, become INTERNATIONAL LAW. The United Nations created the Commission for Global Governance, visit the United Nations website and look it up.

The Commission for Global Governance released a report: Our Global Neighbourhood, that predicates a world court, a global tax, and global police force. And the U.S. State Department Publication 7277 outlines a one world police force under the United Nations. So many prominent world leaders are calling for a one world government the intention is obvious. Yet most people are so occupied by life's responsibilities, careers, sports and television, they have little time to study what's going on in the corridors of power.

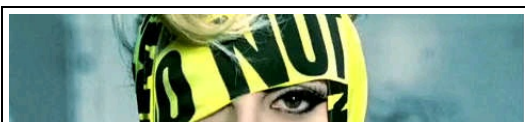

The coming one world government is being set up in the political arena under the flag of the United Nations, through organizations such as the Trilateral Commission, Council of Foreign Relations, the Royal Institute of International Affairs, the Bilderbergers, and the Club of Rome whose members include many world leaders, media personalities and other influential people. The published goal of the Council of Foreign Relations for example is a one world government. And although most have never heard of many of these groups, they do exist, and they are very influential. The core of these groups hold to "illuminist" philosophy.

Baphomet An Occult Symbol

The Illuminati Eye Of Horus

The main methods of showing this symbol in the past

were by using an eyepatch or winking. Today it's usually with one eye open and the other eye covered by one's hand or an object.

If we were not so amazingly distracted – baseball, football, 24 hour news, Kardashians, manufactured racism, manufactured politics, false flag events – then we just might be weeping. Or repenting in sackcloth and ashes. But we remain willingly ignorant of the rising tide of evil, as it swirls to the top, preparing to overflow our very existence.

In our generation, we have Googled our way a love of darkness rather than light. There is a curious fascination with the perverse and the profane, with the wanton and the wicked. Demonic symbols are showing up on everything from t-shirts to skateboard sneakers. Hell-glorifying Heavy Metal music kicks off the average Football game.

This story asks you a question, and that is this: "Why Is The Illuminati All-Seeing Eye Of Horus Is Suddenly Everywhere You Turn?" The answer is surprisingly simple, so simple in fact that it might escape our grasp. We are in the last days.

We are seeing an unprecedented rise in demonic symbols and signs because the Wicked One or Satan in the person of the AntiChrist is about to take the stage.

Everywhere you look, there he is. The All-Seeing Eye Of Horus staring back at you from pop soda cans, sporting equipment, movies, television, radio, clothing. Even on the very dollar bill in your pocket. Our money says "In God We Trust", and you know that's not true. It's not even close to true. The things that America truly trusts in – it's power, might and wealth – are the very things that the bible says is a witness against us in these end times.

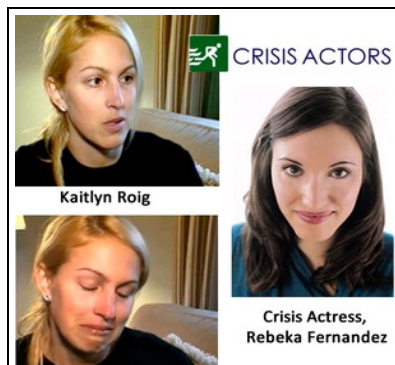

Maybe we should consider the times that we are living in and ask ourselves this question, "Are we living in the biblical last days?"

"Let me control a peoples currency and I care not who makes their laws..." Meyer Nathaniel Rothchild in a speech to a gathering of world bankers February 12, 1912. The following year, we subscribed to the "services" of the newly incorporated Federal Reserve, headed by Mr. Rothchild.

Crisis Actors For False Flag Shootings?

A new group of actors is now available nationwide for active shooter drills and mall shooting full-scale exercises, announced Visionbox, Denver's leading professional actors studio.

Visionbox Crisis Actors are trained in criminal and victim behavior, and bring intense realism to simulated mass casualty incidents in public places.

The actors' stage acting experience, ranging from Shakespeare to contemporary American theater, enables them to "stay in character" throughout an exercise, and improvise scenes of extreme stress while strictly following official exercise scenarios.

The actors regularly rehearse scenarios involving the Incident Command System and crisis communications, and appear in interactive training films produced in both 2D and stereoscopic 3D.

Producers formed the group to demonstrate emerging security technologies, help first responders visualize life-saving procedures, and assist trainers in delivering superior hands-on crisis response training.

For example, with a large shopping center, the producers review all security camera views and design dramatic scenes specifically for existing camera angles, robotic camera sweeps, and manually-controlled camera moves.

The actors can play the part of the shooters, mall employees, shoppers in the mall, shoppers who continue to arrive at the mall, media reporters and others rushing to the mall, and persons in motor vehicles around the mall, etc.

The Illuminati Arrive In America (Date 1785)

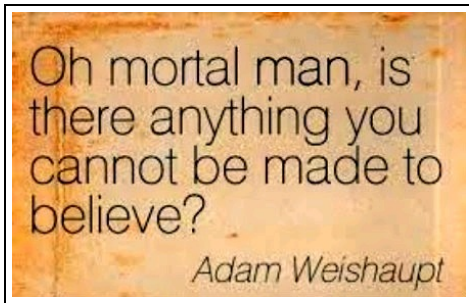

(The 'Illuminati' have been in Europe and America since George Washington's time!)

(George Washington (1732-1799) spoke of the Illuminati in a letter written to the Reverend G. W. Snyder (24 October 1798). He said: "It is not my intention to doubt that the doctrines of the Illuminati and the principles of Jacobinism had not spread to the United States. On the contrary, no one is more fully satisfied of this fact than I am".)

George Washington's assessment concerning Adam Weishaupt's Illuminati

The Illuminati was the brainchild of Adam Weishaupt, who was the chair of canon law and later the dean of the faculty of law at the University of Ingolstadt in Bavaria (a state in southeast Germany) in the early 1770's.

The Bavarian Illuminati, founded on the date of May 1, 1776, exist as an organization that has blurred the line between "spiritual" and "political" Secret Societies.

Their plan has been and is world domination. The Illuminati are alleged to be the primary motivational forces encouraging global governance, a one-world religious belief system, and centralized control of the world's economic systems.

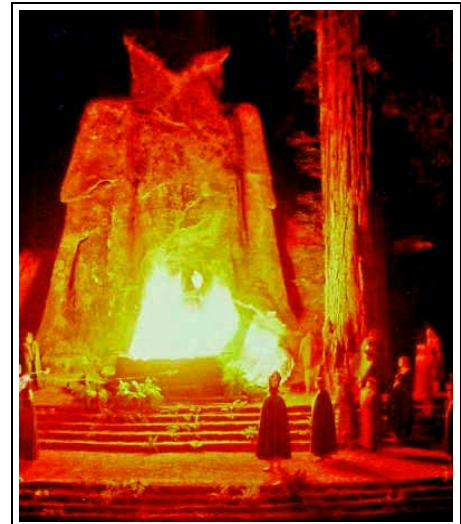

Weishaupt was initiated as a Freemason in 1774 in either Hanover or Munich, but found that no one in his order truly understood the occult significance of the ceremonies. He decided to found his own organization, which he did. This organization was first known as "The Order of Perfectibilists" but became famous as the "Ordo Illuminati Bavarensis", or the Illuminati for short.

By mixing the occult sciences of Freemasonry and Rosicrucianism while conspiring to achieve precise political goals, the Illuminati has become an actor on the world stage. While most Secret Societies have catered to rich people and their fascination with occultism, the Bavarian Illuminati has actively sought to profoundly change the world.

Washington issued several warnings shortly before his death, about the Illuminati. President Washington was well aware that Adam Weishaupt's radical brand of Freemasonry, the Illuminati, had spread its poison to America.

To infiltrate the Masonic lodges in Europe, Weishaupt had enlisted the aid of John Robison who was a long time, high degree Mason in the Scottish Rite, a professor of Natural Philosophy at Edinburgh University in Scotland, a British historian, and Secretary-General to the Royal Society of Edinburgh. When he went to Germany, he was given Weishaupt's revised conspiracy plans to study, in order to expand the Illuminati's influence in the British Isles. However, Robison didn't agree with their principles, and after warning American Masons in 1789, published a book to expose the organization in 1798 called *Proofs of a Conspiracy Against All Religions and Governments of Europe, Carried On In the Secret Meetings of Freemasons, Illuminati, and Reading Societies* which presented the Protestant view. He wrote: "I have observed these doctrines gradually diffusing and mixing with all the different systems of Freemasonry till, at last, an association has been formed for the express purpose of rooting out all the religious establishments, and overturning all the existing governments of Europe."

David Papen, President of Harvard University, issued the same warning to the graduating-class and lectured them on how Illuminism was having an influence on American politics and religion, and to top it off; John Quincy Adams, who had organized the New England Masonic Lodges, issued his warnings.

Owl Shrine, a 40-foot hollow owl statue made of concrete. Bohemian Grove is where some of the richest and the most powerful men come to meet once yearly.

In 1785, the Columbia Lodge of the Illuminati was established in New York City. Among its members were Governor DeWitt Clinton, Horace Greeley (politician and editor of the New York Daily Tribune), Charles Dana, and Clinton Roosevelt (the ancestor of Franklin D. Roosevelt). Roosevelt wrote a book called *Science of Government Founded on Natural Law*, in which he wrote: "There is no God of justice to order

things aright on earth, if there be a God, he is a malicious and revengeful being, who created us for misery." He referred to himself and other members as the "enlightened ones," and said that the U.S. Constitution was a "leaky vessel" which was "hastily put together when we left the British flag," and

therefore needed revision.

In 1786, a lodge was started in Portsmouth, Virginia, where allegedly, Thomas Jefferson was a member; followed by fourteen others in different cities of the thirteen colonies.

In April 1793 France sent new ambassador Edmond Genet to America so he could collect payment for the American debt incurred during the American Revolution. The money was to be used to finance France's war with England. However, his real reason for being here was to gain political favor for France and spread Illuminism, which he did through the establishment of 'Democratic Clubs.'

Was The San Bernardino Mass Shooting A False Flag?

Breaking News: The San Bernardino Mass Shooting just occurred hours ago in San Bernardino, California, around 11:00am local time on December 2nd, 2015. It's important to question everything right from the start. The odds are that this is yet another false flag operation with the same old purposes of scaring the public, justifying martial law (school and hospital lockdowns) and pushing the gun control agenda.

Surprise, Surprise: Active Shooter Drill Scheduled at Same Time and Place

Readers of the independent media will know full well by now the hallmarks and telltale signs of these kind of false flag staged terror events, whether they are bombings, shootings, hijackings or any other kind of attack. Almost without exception – from 9/11 to 7/7 to Sandy Hook and all the rest of them – the script includes drills at the same or nearby time and place, to fool people into initially thinking the operation is an exercise or drill, and to distract both the victims and public from the actual attack.

The getaway car!

It comes as no surprise then to see that the San Bernardino mass shooting was in fact preceded by this announcement of an active shooter drill in the San Bernardino area on November 30th, 2015, just 2 days before today's mass shooting.

"VICTORVILLE-(VVNG.com): Victor Valley College officials would like to inform students and area residents that there will be an "active shooter" training exercise on the VVC campus on Monday, November 30th. There will be significant police presence at this time according to Chief Leonard Knight who said this training will last several hours. In order to avoid any confusion, the public is being notified ahead of time. Victor Valley College Police Department (VPCPD), San Bernardino County Sheriff's Department (SBCSD), Victorville Police Station, San Bernardino County Fire Department (SBCFD), Victorville Fire Station, and American Medical Response (AMR) have planned for and are conducting this exercise to ensure coordinated, timely and effective response to the college community, as well as enhance safety at Victor Valley College."

Same car parked on a different street!

There's no picket fence on this street!

Not only that, but there was a SWAT drill occurring at exactly the same time and place: "The call first came in at 10:59 a.m. of multiple shots fired from the area of 1365 S. Waterman Ave. The Police Department's SWAT team was training nearby and was suited, 'ready to roll' and responded rapidly, Lt. Richard Lawhead said."

'THEY LIVE'

'They Live' is a 1988 American science fiction horror film written and directed by John Carpenter. The film stars

Roddy Piper, Keith David and Meg Foster. It follows a nameless drifter (called "John Nada" in the credits), who discovers the ruling class are in fact concealing their appearance and manipulating people to spend money, breed, and accept the status quo with subliminal messages in mass media. Based on Ray Nelson's short story *Eight O'Clock in the Morning*, the movie is one of those rare subversive stories that forces viewers to question their world and their surroundings.

Right from the beginning, as we see Nada walking around Los Angeles with his backpack, the movie sets a particular mood: Something is not quite right. While Nada appears to be a happy-go-lucky kind of guy, the city is not happy and it is not too kind to happy-go-lucky kind of guys. Quite the contrary, there is a sense of impending doom in the air: Poverty is rampant, helicopters fly around the city and street preachers speak of soulless beings ruling the world.

"Rowdy" Roddy Piper As John Nada

A preacher's description of the "masters" is applicable to the Illuminati.

Seeking shelter Nada enters an empty church and discovers a hidden box. In an alley, he opens the box and finds dozens of sunglasses. Taking one, he hides the box of remaining sunglasses in a garbage can.

Nada discovers the sunglasses have unique properties. After putting on a pair, he sees the world in black and white and discovers it is not what it seems. Media and advertising hide constant subliminal totalitarian commands to obey and conform.

When viewing those of wealth and authority Nada discovers they're not human.

When he has his sunglasses on, Nada sees through the smoke and mirrors projected by advertisement and mass media. He only sees the core of their message and the only reason why they exist. No matter which magazine Nada flips open, he sees the same subliminal messages, which tells a lot about the true function of "celebrity" and "fashion" magazines. Despite the fact that they are all different, they all ultimately serve the same purpose: To reinforce messages from the elite to the masses.

We're living in two worlds, you and I.

There's the world we see (or are made to see) and then there's the one we sense (and occasionally catch a glimpse of), the latter of which is a far cry from the propaganda-driven reality manufactured by the government and its corporate sponsors, including the media. Indeed, what most people perceive as life in a privileged, progressive and free society — is a far cry from reality, where economic inequality is growing, real agendas and real power are buried beneath layers of Orwellian doublespeak and corporate obfuscation, and "freedom," such that it is, is meted out in small, legalistic doses by militarized police armed to the teeth.

All is not as it seems.

Those In Control Aren't Human!

"None are more helplessly enslaved than those who falsely believe they are free." - Johann Wolfgang von Goethe

Boston Bombing: Major Problems for Controlled Media

You're a reporter for a TV news outlet.

You've become aware of a disturbing trend. Thousands of private citizens are now analyzing video and photographs of crime scenes and posting their findings.

They can't be stopped. They're looking at news footage, casual video, photos, and what they're coming up with challenges the official story lines your network pushes.

Some of their analysis is good.

For example, video footage of the first bomb in Boston doesn't appear to show any shrapnel damage to the fencing near the explosion, or to the blue canopy just above the street. You, the reporter, wonder about that.

The now-famous 78-year-old runner who fell down in the street, just after the first explosion? Security personnel wearing yellow jackets were standing closer to the bomb, but they didn't wobble or duck or waver. You, the reporter, wonder about that, too.

You, the reporter, see a photo of a storefront which was presumably right next to the first bomb. The windows are blown out. But all the glass is lying in the street, which would indicate the force of the

explosion was coming from inside the store. How is that possible, you ask yourself.

Then there are the quickly circulating photos of the man in the wheelchair. He's missing large parts of both legs. People are pushing the chair. His legs aren't bleeding. And other posted photos show he already was wearing prosthetics? If it is true that he lost both legs he should already be dead from the massive blood loss since he was on the ground without a tourniquet for awhile? You, the reporter, are disturbed by this.

The USA PATRIOT Act

The Reichstag fire (an act similar to 9/11), burning of the Reichstag (parliament) building in Berlin, Germany, on the night of Feb. 27, 1933 allowed the Nazis to pass the Enabling Act on March 23, 1933. This conferred dictatorial powers on Adolf Hitler. (Notice the "protecting the homeland" banner... (Isn't it interesting that they chose part of the very phrase Hitler used.) Hitler, "An evil exists that threatens every man, woman and child of this great nation. We must take steps to ensure our domestic security and protect our homeland".)

On October 26, 2001, US President George W. Bush enacted the USA PATRIOT Act. The USA PATRIOT Act

is officially the "Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act". The bill was in direct response to the attacks that occurred on September 11, 2001. The goal of the Act was to reduce restrictions on law enforcement and government officials when investigating criminal activity. It gave international law organizations the right to probe and search citizen's e-mail, medical, financial and personal records. Some of the main sections of the law enacted restrictions on foreign intelligence gathering, expanded the Secretary of the Treasury's authority to regulate financial transactions, and broadened immigration laws in regards to detaining and deporting immigrants suspected of terrorism-related acts. The bill was passed by a wide margin in the US Congress.

9-11 False Flag Attacks

The USA PATRIOT Act broadly expands law enforcement's surveillance and investigative powers and represents one of the most significant threats to civil liberties, privacy and democratic traditions in U.S. history. The Patriot Act gives sweeping search and surveillance to domestic law enforcement and foreign intelligence agencies and eliminates checks and balances that previously gave courts the opportunity to ensure that those powers were not abused. The Patriot Act and follow-up legislation threatens the basic rights of millions of Americans.

The "War On Terror" Is A Fraud

The US is today, albeit temporarily, the world's foremost power. It is a country whose people are blessed with wonderful qualities of the head and heart. They are honest, hardworking problem solvers, large-hearted and decent. The emergence of the US as a power with the greatest ever reaches in human history is the result of a past conscious and sustained effort on the part of Washington to make America a great power.

Central to this nation-building process was the key emphasis on cultivating and creating knowledge, and of the high-level of integrity and commitment of the average American. However, the evolution of the US Public State, as a genuine democracy with the ability to unify mankind on a broad basis, has been derailed consistently, and perhaps irreversibly, by corporate cliques that have taken the US on the path of global conquest and exploitation of the poor but resource-rich countries. This path will eventually lead to USA's defeat and its rapid and bloody decline in a decade or two, unless, of course, the Americans can bring to book those criminal cabals which currently control, chain and exploit this great nation.

The corporations operate secretly, illegally and without regard for the deeper interests of the people or of humanity. Thus, the exploited countries see the US as a power of unprecedented and unmatched ruthlessness. The US is not only the greatest scientific force in history, but it is also the greatest subversive power ever to afflict this globe.

The neocon movement behind this was funded by a group of wealthy men, who not only wanted to "roll back", and contain Russia but also to eventually to set up a global US empire.

Biometrics

Biometrics is the science and technology of measuring and analyzing biological data. In information technology, biometrics refers to technologies that measure and analyze human body characteristics, such as DNA, fingerprints, eye retinas and irises, voice patterns, facial patterns and

hand measurements, for authentication purposes.

Though the field is still in its infancy, many people believe that biometrics will play a critical role in future computers, and especially in electronic commerce. Access levels will include the ability to use credit card information to make electronic purchases.

In the future biometrics will be used to identify and then control and monitor individuals or people in groups that are under surveillance. (Such as: prisoners, terrorists, and people that are a known threat or suspicious of being involved in an illegal or dishonest activity and are at risk to the government or police, etc.)

"We are not going to achieve a new world order without paying for it in blood as well as in words and money." Arthur Schlesinger, Jr., in Foreign Affairs 1995

The FBI's Facial Recognition Technology. Soon we all may be in their biometric system.

Biometric Scanners

(Biometric scanners are increasingly being used at border crossings, airports, and driver license and police departments.)

Biometric technology verifies users through their physical properties, offering the strongest verification available. Biometric scanners have started popping up all over the place - in police stations, high-security buildings and even on PC keyboards. Also, high-tech security systems that specialize in fingerprint, iris and face recognition for identifying individuals are being used by government agencies for improving

homeland security and border management. Identity security is a fast growing market and biometrics, especially, has become a widely accepted and popular technology that is quickly moving toward mobile applications, such as handheld scanners, for uses like law enforcement and voting. The FBI is developing methods of identification using iris, retina, facial and voice recognition software. These areas may also be added to mobile scanning devices in the future.

On the contrary, no one is more satisfied of this fact than I am." This statement was made in 1798. Article **George Washington's Masonic Connection.**

Iris Recognition

The iris offers a rich source of data for biometric measurement.

The patterns of the iris are unique and templates derived from the iris can yield identification performance which is better than DNA matching.

The iris is the only internal organ visible from the outside and is protected from environmental factors (such as dirt and abrasion) which can afflict other biometrics. Iris recognition offers advantages in accuracy, high speed of exhaustive search, non contact with sensors and passive collection methods.

All operations of the devices can be accessed from the menu on the touchscreen.

These devices feature a high definition infrared (IR) camera that enables user identification even in dimly lit environments.

When a user looks into the camera, it captures the relative position, size, and shape of the user's eyes, nose, cheekbones, and jaw which is then used to subsequently verify or identify the user.

These units offer lightning quick detection that's ideal for areas where a large flux of people have to pass. They're also capable of recognizing the same face with up to 15 different facial expressions, so no matter how you look or feel the reader will know that it's you!

BEHOLD THE CUBE: SATURN WORSHIP

(The Elite worship Saturn and receive energy from it! By using the cube/box symbol and along with the pyramid, all seeing eye, owl, pentagram, fire/torch, monarch butterfly, rising sun, etc. symbols they are revealing that they are very much in control. You'll see "The Black Box/Cube or any color box/cube" along with the other symbols being used in corporate logos, movies, video games, commercials, and tv shows.)

The black cube is used to represent Saturn in numerous cultures. You might not know it, but the entire world has been worshipping Saturn for thousands of years. The cult has never stopped and its rites are still present to this day. Saturn, dubbed the "Lord of the Rings", is the reason why we exchange rings at weddings or put halos on the heads of godly people.

The Black Box or Cube, or any other color box/cube can represent Saturn.
Manhattan, NYC

Since ancient times, sages gazed at the stars, admiring their heavenly glow and attributing them godly powers, based on their effect on humans. Before the Great Flood, Saturn was regarded by all mankind as the supreme god and ruler of the kings. Occult researchers affirm that Saturn ruled the kingdom of Atlantis and became the divine ancestor of all earthly patriarchs and kings.

The Babylonians called Saturn "the Star of Tammuz." Saturn worship has been perpetuated through numerous gods during antiquity: "Chronos, or Saturn, Dionysos, Hyperion, Atlas, Hercules, were all connected with 'a great Saturnian continent' they were kings that ruled over countries on the western shores of the Mediterranean, Africa and Spain." - Baldwin, Prehistoric Nations

In Egyptian mythology Isis is considered Saturn's eldest daughter: "I am Isis, Queen of this country. I was instructed by Mercury. No one can destroy the laws which I have established. I am the eldest daughter of Saturn, most ancient of the Gods."

The "Kabbalah" of Jewish mysticism/Masonry comes from KabbaAllah or "CubeGod" around which people gather and ceremonially walk in circles. Thus it can be said they are "circling the square or black Cube/God." Masons are also constantly referring to "circling the square" and "squaring the circle."

The Freemasonic G (Geometry/God) symbol within a compass and T-square symbolizes this as well. Just as people circle around their Cube-God Kabba, so the Masons use a compass/square around their "G" God/Geometry.

Astrologically Saturn represents darkness, misfortune, death and fear. Saturday is named after the Roman god Saturn, the

Hexagon on Saturn's North Pole. One can draw a 3D cube in this 2D Hexagon.

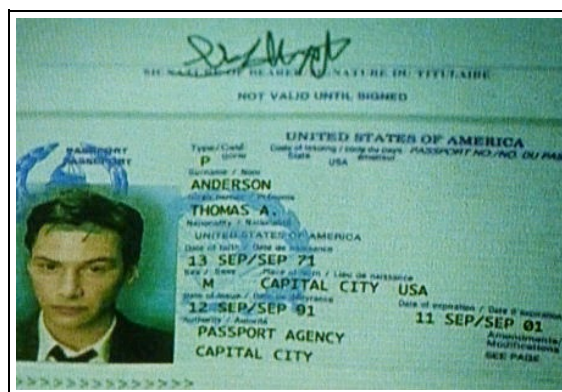

Ancient Greeks referred to this god as Cronus. The symbol of Saturn/Cronus is the sickle. The sickle of Saturn and hammer of Thor (Jupiter/Zeus) combined is represented in the the symbol of Communism.

The core of the control over Planet Earth's populace lies in ancient cults. These cults are still in existence to this day. The elite follow these most ancient religions being influenced by sexual worship. The main cults are the worship of the Planet Saturn (El), Moon (Isis), Venus (Lucifer) & Sun (Ra).

"For more than a century ideological extremists at either end of the political spectrum have seized upon well-publicized incidents such as my encounter with Castro to attack the Rockefeller family for the inordinate influence they claim we wield over American political and economic institutions. Some even believe we are part of a secret cabal working against the best interests of the United States, characterizing my family and me as 'internationalists' and of conspiring with others around the world to build a more integrated global political and economic structure—one world, if you will. If that's the charge, I stand guilty, and I am proud of it." – David Rockefeller's Memoirs (Random House, New York, 2002)

Predictive Programming

What is predictive programming? Is it an invasive form of Subliminal Behavior Modification? Alan Watt author of 'Cutting Through The Matrix' says that, "Hollywood is the magician's wand which has been used to cast a spell on the unsuspecting public. Things or ideas which would otherwise be seen as bizarre, vulgar, undesirable or impossible are inserted into films in the realm of fantasy. When the viewer watches these films, his/her mind is left open to suggestion and the conditioning process begins. These same movies which are designed to program the average person, can give the discerning viewer a better understanding of the workings and the plan of the world agenda."

Neo's passport in 'The Matrix'
expired on September 11, 2001

It used to be just TV and cinema, but now 'the screen' implies a number of different media flavours and delivery formats: television, film, HD, DVD, Blue Ray, computer/console games, and also the internet and mobile media.

The control system works by keeping everyone focused on the lowest levels of the pyramid, the base levels of illusion/reality. Within this contrived paradigm, people are conditioned to believe in the synthetic culture received through their screen. Cars and football, home makeovers and cooking, gossip and reality television, etc. It all amounts to the same thing: diversion. The magician's misdirection distracts attention while the Illuminists controls your thoughts.

The phenomenon of 'predictive programming' is heavily used on the screen. It presents and acclimatizes the public to new ideas and trends. Usually put forward in a fictional context (to circumvent issues of consent or morality), many of the events, technologies and social attitudes dipped into the collective consciousness are in fact already in the pipeline.

Kabbalist "Destruction" Doctrine Behind War

The Kabbalist Doctrine of Destruction provides a key to understanding world events.

According to the Kabbalah, which is the secret doctrine of Judaism and Freemasonry, "Evil and catastrophe [are] endemic factors in the process of creation. Without evil there could be no good, without destruction, creation could not take place."

Kabbalists believe that God is unknowable and has no form. In contrast, true religion assumes God is present in the human soul. Obeying this voice, is what makes us human.

Kabbalists believe the Old (Christian) Order must be ruthlessly destroyed before the New (Satanic) World Order, based on the Kabbalah, can be built.

Hence, the Illuminati motto: "Order Out of Chaos." Hence, the Communist Manifesto advocates the destruction of nation, religion and family and the transfer of all private wealth to the Illuminati bankers, in the guise of the state.

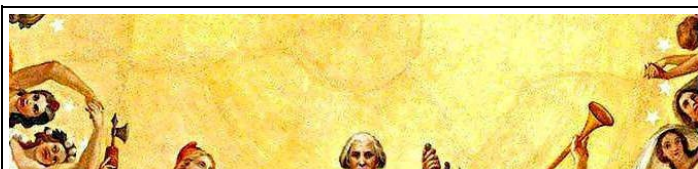

The destruction of civilization (i.e. chaos) will provoke the return of the Messiah (the anti-Christ) who will rebuild the world according to Kabbalist specifications, with the Illuminati bankers playing God.

The Doctrine of Destruction explains why war and revolution have been characterized by a gratuitous orgy of genocide, terror and destruction.

Call it illuminism, secularism, luciferianism, humanism or paganism: It's all Kabbalah.

Very few recognize the spiritual elements of the architecture and the symbolism of this building which literally makes it a temple of Masonic mysteries. The city of Washington is even located in the District of the (Goddess of Columbia). In 1791, President Washington commissioned Pierre (Peter) Charles L'Enfant,

a French-born architect, city planner and freemason, to design the new capital and City of Washington. The masons had wanted America to be a 'New Atlantis' and Washington, D.C. a second Rome. They were committing America to what has been called 'A Secret Destiny'. This future 'destiny', is 'The New World Order'. In order for a global 'New World Order' economic system to be established with a one-world electronic currency the sovereignty of all nations must be undermined.

Then, and only then, will everyone be forced to exist and live within the confines of a single global police state thereby losing our freedoms and rights as free human beings.

The ideal of a 'New World Order' might never be closer than now.

It may not be long before all of us experience an abrupt change in our way of living.

There has been a group that consists of Masons, Jewish Bankers, and other influential wealthy individuals that has worked for a very long time through Freemasonry and the Order of the Illuminati to achieve this 'New World Order'.

Their goal is to set up a Global Police State with a more controlled society and continuous surveillance over every citizen!

Masonic Temple Buildings - Lodge Room

First they'll destroy this present world system (Old Order) and then bring in their global government.

They have everything in place and ready to go so when the time is right they will make their move without any hesitation.

"If you want a vision of the future, imagine a boot stamping on a human face -- forever."
George Orwell author of Nineteen Eighty-Four, a glimpse at a dystopian future where the world is

run by totalitarian regimes.

An Egyptian Pyramid Capstone. Symbolic Of The Elite That Are Going To Rule Over Us In The NWO.

The Rise Of The 'New World Order'.

The recent history of the world is a history of conflicts.

Established upper-class families with 'old money' have founded and finance the Bilderberg Group, Bohemian Club, Club of Rome, Council on Foreign Relations, Rhodes Trust, Skull and Bones, Trilateral Commission, and similar think tanks and private clubs.

These are the Illuminati, who plot to impose their totalitarian New World Order over us — an authoritarian world government controlled by the United Nations and a global central bank.

The whole Earth will be going through great changes soon, such as: climate changes, warfare, economic impacts, etc. All of this will work towards the fulfillment of a world government. This final kingdom or global empire is described in the Book of Daniel in several dreams and visions.

Fulfillment of the visions of Daniel and Nebuchadnezzar.

Nebuchadnezzar's Dream - (in part).

'You looked, O king, and there before you stood a large statue--an enormous, dazzling statue, awesome in appearance. The head of the statue was made of pure gold, its chest and arms of silver, its belly and thighs of bronze, its legs of iron, its feet partly of iron and partly of baked clay'. Daniel 2:31-32

An Egyptian Pyramid With A Capstone In Place.

In succession the Babylonians gave way to the Medo-Persians, and the Medo-Persians gave way to the Greeks, and the Greeks gave way to the Romans. It was the Romans who were in power at the time of Christ. There had been almost an unbroken sequence of world empires from Nebuchadnezzar until the time of Christ.

Nebuchadnezzar's dream indicated that one empire would be replaced by another. The iron legs, feet and toes of the statue represented the future empire of Rome. This final kingdom would come at the very end of time or end of the age!

Daniel's Dream - (in part).

'After that, in my vision at night I looked, and there before me was a fourth beast--terrifying and frightening and very powerful. It had large iron teeth; it crushed and devoured its victims and trampled underfoot whatever was left. It was different from all the former beasts, and it had ten horns. While I was thinking about the horns, there before me was another horn, a little one, which came up among them; and three of the first horns were uprooted before it. This horn had eyes like the eyes of a man and a mouth that spoke boastfully.' Daniel 7:7,8

The interesting thing to notice here is that, in Nebuchadnezzar's dream, there are ten toes on the

feet, and in Daniel's dream, the final form of a world government had ten horns. So the number ten is very significant in the last form of world governments which is still future.

Since the Roman Empire ceased to exist as a real empire, how many world empires have existed? There have been some serious attempts. Charlemagne, Napoleon, and Hitler, tried to conquer their world. None of them succeeded. The Bible says there are only four of these world empires, and then a final form of the fourth one--feet made partly of iron and partly of clay. What would the iron and clay mean? It is a Revived Roman Empire--partly of the old iron of the ancient Roman empire, and partly of clay, something weaker and brittle. It would include some of the old areas, but it would not be as strong and monolithic as the old Roman Empire.

We are looking for another empire that will come out of ten nations/economic blocs and then become a world power.

Pope Francis

The False Prophet

A LAMB WITH TWO HORNS!

(Many believe that a pope will be the false prophet of Revelation 13: 11, and that this pope will unite the world's many faiths and then compel/force the masses to worship the antichrist. The time frame for this will be in the middle of the final seven year period.)

Pope Francis celebrated his inaugural mass among political and religious leaders from around the world. Delegations from 33 Christian Churches and 132 national governments or international organizations,

as well as Jewish, Muslim and Buddhist leaders, came to Rome for Pope Francis' inauguration mass. The Patriarch of Constantinople, Bartholomew I, was among them. It was the first time that the top representative of the Orthodox Church had attended a papal inauguration since the split with Rome in 1054.

'And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH'. (Revelation 17:5) What will be the final form of Babylon the Great? We can be sure that the Whore:

(1) Will be personified as 'the False Prophet' (Revelation 16:13). Since Babylon the Great only rides the Beast, i.e., 'I saw a woman sit upon a scarlet coloured beast [the Antichrist]' (17:3), she is not to be confused with the Beast himself. Her intimacy with the Beast stems from her need for the governmental power of the Beast to assure her a monopolistic religious franchise (the Catholic Church), i.e., 'as many as would not worship the image of the Beast should be killed' (13:15).

(2) A Lamb With Two Horns will promote the worship of the Antichrist, i.e., Babylon the Great 'exerciseth all the power of the first beast [the Antichrist] before him, and causeth the Earth and them which dwell therein to worship the first beast, whose deadly wound was healed' (Revelation 3:12).

Fili Dei, Vicar of the Son of God

(3) Will spiritually fornicate with the kings of the Earth, i.e., 'With whom the kings of the Earth have committed fornication, and the inhabitants of the Earth have been made drunk with the wine of her fornication' (17:2), because, as with the Antichrist, she needs their help to force her religion upon the world.

A Balance Of Power

(The rise and fall of the old ways)

"Made in China"

Throughout the twentieth century a list of the world's great powers would include the United States, the Soviet Union, Japan, and northwestern Europe. But now that it's the twenty-first century the situation is very different. China is emerging as an economic and political heavyweight: China

holds over a trillion dollars in hard currency reserves, and already a recognized nuclear power, is developing a blue-water navy. The National Intelligence Council, a U.S. government think tank states that in the future China will continue to be ranked among the world's largest economy. Such growth is opening the way for a much different era in global politics and economy.

"I think we need a new world order and that China has to be part of the process of creating it and they have to buy in, they have to own it in the same way as the United States owns...the current order," Billionaire globalist George Soros.

A Police State

A Police State is when the government exercises rigid and repressive controls over the social, economic and political life of the population.

It typically exhibits elements of totalitarianism and social control, and there is usually little or no distinction between the law and the exercise of

political power by the executive. In the police state, rights are non existent and laws are selectively enforced.

The inhabitants of a police state experience restrictions on their mobility, and on their freedom to express or communicate political or other views, which are subject to police monitoring or enforcement. Political control may be exerted by means of a secret police force, which operates outside the boundaries normally imposed by a constitutional state.

The Coming 'New World Order' in Bible Prophecy

Daniel 9:27 He (the Antichrist, the soon to be ruler over the NWO) shall confirm a covenant/peace treaty with many (Israel and the Palestinians) for one week - seven years. This treaty starts the 7 year countdown to the end of the age (not the "end of the world") resulting in the construction of the third temple on Mount Moriah and the mid-point "abomination of desolation" that Christ described in Matt. 24:15. The battle of Armageddon will be at the end of this seven year period.

The Tribulation Period - Final Seven Years

Daniel 7: 7 After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts (kingdoms) that were before it; and it had ten horns. **Revelation 17:12** The ten horns which you saw are ten kings (rulers over ten economic or regional unions) who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. **13** These are of one mind, and they will give their power and authority to the beast. **Daniel 7:8** I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things. **Revelation 6:2** And I looked, and behold, a white horse. He who sat on it had a bow; and a crown was given to him, and he went out conquering and to conquer. **Revelation 13:2** ...The dragon gave the beast his power and his throne and great authority. **3** One of the heads of the beast seemed to have had a fatal wound, but the fatal wound had been healed. The whole world was filled with wonder and followed the beast. **4** People worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, "Who is like the beast? Who can wage war against it?" **5** And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months. (the final 3 1/2 years) **Daniel 9:27** ...and in the midst of the week he shall cause the sacrifice and the offering to cease... (This is the abomination of desolation that is spoken of in **Matthew 24:15**. This is when the antichrist enters the temple, stops the temple sacrifices, and then declaring himself god and demands worship.) **Revelation 13:7** And authority was given him over every tribe, tongue, and nation. **8** All who dwell on the earth will worship him...

11 Then I saw another beast (the false prophet) coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. **12** And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed.

Daniel 11:36 Then the king (Antichrist) shall do according to his own will: he shall exalt and magnify himself above every god, shall speak blasphemies against the God of gods, ...for he shall exalt himself above them all. **38** But in their place he shall honor a god of fortresses; and a god which his fathers did not know he shall honor with gold and silver, with precious stones and pleasant things. **39** Thus he shall act against the strongest fortresses with a foreign god, which he shall acknowledge, and advance its glory; and he shall cause them to rule over many, and divide the land for gain. **41** He shall also enter the Glorious Land (land Of Israel), and many countries shall be overthrown ... **42** He shall stretch out his hand against the countries, and the land of Egypt shall not escape. **43** He shall have power over the treasures of gold and silver, and over all the precious things of Egypt: and the Libyans and the Ethiopians shall be at his steps. **44** But tidings out of the east (the advancing armies of China and N. Korea) and out of the north (Russia) shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many. **45** And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.

Is the end really that near? Do we need to be concerned about how much time we have left or just go about our business as usual? The one for us to go to for that information is Christ. When Jesus' disciples asked what would signal his return, he gave them several signs to watch for. He also taught that the time immediately before his coming would be known as the "beginning of sorrows" (**Matt. 24:8**), which is another way of saying the "onset of labor pains." Jesus was saying the signs of his coming would start out as mild pangs spaced widely apart like human labor and then gradually become closer together and more intense, like the birth process, until the final seven-year (Daniel's 70th week) period of suffering and judgment is to culminate in the coming of the Messiah. Concerning the last days he replied, "And ye shall hear of wars and rumors of wars... For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and great earthquakes, in various places". "...and upon the earth distress of nations, with perplexity; the sea and the waves roaring". "And as it was in the days of Noah, so shall it be also in the days of the Son of man".

2 Thessalonians 2:3-4 Let no man deceive you by any means: for [that day shall not come], except there come a falling away first, and that man of sin be revealed, the son of perdition; Who

opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

The New World Order (NWO) As It Relates To The Coming Antichrist And His Kingdom

The prophesied one-world government is being formed on earth at this very time. The Bible prophesies that the Antichrist (Final dictator) will ultimately reign over this world government (NWO) for three-and-one-half years just prior to the Second Coming of Jesus to establish His own world government.

Satanically Empowered Control

Control of the coming endtime government will be consolidated into the totalitarian hands of the Antichrist. The dragon, which is the devil, gives this world governmental system its seat, power, and great authority (Revelation 13:2). We will all feel the oppression of this world government structure because it is satanically inspired, and it is forming right now.

Revelation 13:7 states that power will be given to the Antichrist over "all kindreds, and tongues, and nations." Verse 3 says, "And all the world wondered after the beast." Daniel 7:23 tells of a world governmental system ruled by The the Antichrist, "The fourth beast shall be the fourth kingdom upon earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces." The prophecy then states that this world government will rule the world until the Second Coming.

Globalization

After the Berlin Wall fell in 1989, we began hearing new terms like World Community and International Community. David Rockefeller said that a global crisis would have to occur before the world would be willing to accept a New World Order. When the world's economy began a dramatic downward plunge in 2008, world leaders again proclaimed the need for a New World Order with global economic structures.

The word "globalization" means exactly what it says. It is the process of transitioning the world into a global government. When we hear about international law, it is referring to the laws of the international government. When we hear about the World Court, it is referring to the court system that has been created to enforce the laws of the world governmental system. The World Bank, the World Trade Organization, the World Health Organization—all of these powerful world institutions are exactly what they say they are. They are all components of the one-world government, the world government prophesied for the endtime 2,000 years ago.

Names for the coming Antichrist: The king of fierce countenance (Daniel 8:23) The prince who is to come (Daniel 9:26) The beast (Revelation 19:19-20) The son of perdition (Thessalonians 2:3) The lawless one (2 Thessalonians 2:8) The man of sin (2 Thessalonians 2:3) The foolish shepherd (Zechariah 11:17)

The Herd Mentality

It's Time For The Sheeple To Open Their Eyes To See The Truth. The Elite Are Going To Bring Us All Under The Control Of A Single Global Fascist State.

Here it is for everyone to see all summed up.

The goal of the Illuminati is to set up an Orwellian Police State, with a more controlled society and continuous surveillance over every citizen! First they'll destroy this present world system and then they'll bring in their "New World

Order". What they want is perpetual war, intrusive government surveillance, and all individuals subordinated to the state. This is their main agenda, "Order Out Of Chaos" to gain control by fear introduced into the hearts of all people.

The Illuminati Agenda - Billions of sheeple under the control of the elite. Their actions are not unlike those of wild animals culling on the weak, sick, and old prey. The elite feel that predators are a necessary and beneficial part of natural systems. They are very much convinced of the fact that if we remove them from the picture, there will be consequences.

What is happening and has been happening in this world is mind-blowing, but perhaps the most astounding thing is the herd mentality that most of us so blindly follow. Think of this - the ones who control the psyches and collective thinking of the people control the governments.

So why do we hand over our rights and freedoms as human beings so that the elite can enslave us? And why have we been so dumbed down?

Have you ever given thought that we are not free because there are people who have real power. I seriously believe that the Illuminati exist and that they exercise great power over most of the world.

It's a choice that everyone will have to make, that is, to go along with the crowd or to break free of the established norms.

To everyone I say do you just want to exist and live with the status quo and continue to be asleep or do you want to become free, no longer a slave to the global elite and to the future that they have for us.

"Collective fear stimulates herd instinct, and tends to produce ferocity toward those who are not regarded as members of the herd." — Bertrand Russell

Christ's Imminent Return

ALL End Time prophecies are AT AN APEX right now and ready for fulfillment. Literally, "THIS GENERATION" is now living in the rapidly narrowing gap of time adjacent to the very 'start' of the final 7 Year Tribulation period.

It bears repeating: ALL MAJOR Bible prophecies are right NOW at a prophetic APEX at this crucial time in world history, CONFIRMING the very Nearness of Christ's return precisely as the Lord instructed his followers to "KNOW" IN THAT GENERATION (That is the generation which sees the fulfillment of the signs in Matthew 24) ALL THINGS WILL COME TO PASS!

"God so loved the world that He gave His only Son, so that whoever believes in Him should not perish, but have everlasting life." John 3:16.

Jesus said: "I am the way, the truth, and the life: no man cometh unto the Father but by me." John 14:6

"For whosoever shall call upon the name of the Lord shall be saved." Romans 10:13
